47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We live in San Francisco and had to pay a lot of money to AT&T for very limited internet service. Sonic come to the Noe Valley area and offered wonderful fiber optic service at a very reduced price.

Sonic gives us great telephone service included with our internet. We cut our bill by more than 50%.

We love Sonic. Let's keep competition which it the American way!
